BOOK DONATION DRIVE

At St. Xavier's High School, we believe that what may be unnecessary to someone might be another person's necessity. We, therefore, instill compassion in our students to change the lives of the people around. To this effect, with warmth and fondness the school organised Book Donation Drive from 5th to 10th of April, 2023. We encouraged students to spread the word and drop the old story books, comics, school books or any other children's books at the school's gate which were further bequeathed to those not as fortunate as others. Venue of book donation drive was Outside Gate No. 1.

TOY DONATION DRIVE

Giving is not just about donating. It is about making a difference and spreading a smile!

At St. Xavier's High School, we truly believe that deeds of giving are the very foundation of the world. We, therefore, tried to infuse empathy and kindness among our students to make a difference in the lives of the people around them. To this effect, with gratitude and warmth, the school organised Toy Donation Drive. We encouraged students to spread the word and drop the old and used toys of the children at the school's gate No. 1 from May 10, 2023. - May 13, 2023. The collected toys were donated to the underprivileged children.

A QUIZ ON CRICKET

ST. XAVIER'S HIGH SCHOOL
WICKER, St. Xavier's
(Established in 1901)

Grades VI - VIII

HANDOUT-CRICKET

Cricket is a bat-and-ball game played between two teams of eleven players on a field at the centre of which is a 22-yard (20 metre) pitch with a wicket at each end, each comprising two bails balanced on three stumps. The batting side scores runs by striking the ball bowled at one of the wickets with the bat and then running between the wickets, while the bowling and fielding side tries to prevent this (by preventing the ball from leaving the field, and getting the ball to either wicket) and dismiss each batter (so they are "out"). Means of dismissal include being bowled, when the ball hits the stumps and dislodges the bails, and by the fielding side either catching the ball after it is hit by the bat, but before it hits the ground, or hitting a wicket with the ball before a batter can cross the crease in front of the wicket. When ten batters have been dismissed, the innings ends and the teams swap roles. The game is adjudicated by two umpires, aided by a third umpire and match referee in international matches. They communicate with two off-field scorers who record the match's statistical information.

Holding placards with pride they stated the 17 goals and spread a message of environmental awareness. The conclusion on thoughts about the future was powerful and left the audience contemplating. A captivating round of self-composed poems at the end addressed the intent that both the Earth and its species should live and promote a sustainable and healthy environment. Our honourable Director-Principal, Mr. John Rafi appreciated the assembly and praised the students by reinforcing the message for future.

CLASS ASSEMBLY

MOTHER'S DAY BY VIII E

"Youth fades, love droops, the leaves of friendship fall. A mother's secret hope outlives them all." —Oliver Wendell Holmes

The assembly initiated with a special prayer for Mothers. This was followed by thought, word and news (National, International, Weather forecast, Sports and Xavier's news) of the day. The students (Aarav and Nimeesha) also elucidated about the significance and relevance of Mothers' Day Celebration. A beautifully penned poem in Hindi was recited by Gautam. The musical performance by the students left everyone emotional and pensive. A short skit was performed based on an incident from Thomas Alva Edison's childhood that portrayed the unconditional love of a mother exquisitely. This was followed by a rhythmic dance performance by the students. At the end of the assembly, students whose birthday fell that week were called upon. The Director-Principal commended the students and the Class Teacher, Ms. Prachi for conducting a well planned assembly.

CURATED CALM'23:

Embrace the Harmony Within

"Yoga for Vasudhaiva Kutumbam"

International Yoga Day is celebrated to raise awareness about the importance of yoga in maintaining a healthy lifestyle and to encourage people to incorporate yoga into their daily routine. Yoga, an ancient practice originated in India, offers a holistic approach to health and wellness, combining physical postures (asanas), breathing exercises (pranayama), meditation, and relaxation techniques. St Xavier's High School, Sector 49 celebrated International Yoga Day - 'Curated Calm': A journey of the self, through the self, to the self on Wednesday, June 21, 2023. A rejuvenating yoga session led by Ms Sharda Rani, a renowned yoga facilitator was conducted in the school atrium. Parents, teachers and students participated with great enthusiasm and took a pledge to integrate yoga in their lives by practicing it regularly along with their family and encourage friends to take up yoga for a healthier lifestyle.
